## BACKPACKS

### MINI TREKKER AW

The ever-popular Mini Trekker - now with an All Weather Cover - is lightweight, compact and holds a surprising amount of gear. Includes an integrated quick-release tripod holder, attachment loops for optional SlipLock accessories, compression straps and lots of pockets — including a large front pocket with a weather flap and a quick-access front pocket. The ergonomic harness features wide, padded shoulder straps and a sternum strap.

**Capacity:** SLR with attached 80–200 mm f/2.8 lens (most makes), additional body, 4–6 more lenses

\$222.75

### PHOTO TREKKER AW II

Roomy backpack for outdoor and extreme sports shooters with sophisticated, fully adjustable harness and quick-adjust waist belt. All Weather Cover™ and water-resistant zippers protect gear; Trekker Tripod Mount™ positions down the centre or either side.

Attachment loops of Hypalon®, the tough stuff you see on river rafts, hold optional SlipLock accessories.

**Capacity:** 1–2 large 35mm or digital pro SLRs with lenses attached, (up to a 400mm f/2.8); plus 5–7

\$592.35

### SUPER TREKKER AW II

Serious photographers look to the Super Trekker AW II. Hi-tech materials and a fully adjustable harness system - the most technically advanced of any camera pack - ensure perfect weight distribution and extraordinary comfort.

Harness includes internal frame, load adjustment, compression and sternum straps, CollarCut™ shoulder straps, and quick-adjust waist belt. Revolutionary water-resistant zippers, travel cover, and All Weather Cover™ protect

your gear against extreme weather, dust and sand. Attachment loops - made from the same tough Hypalon® used in river rafts - position the Trekker Tripod Mount™ or optional SlipLock™ accessories wherever most convenient. **Capacity:** 2–3 pro SLRs, 7–9 lenses up to 800 mm, tripod, flash and accessories.

### ORION TREKKER II

Lowepro's original favourite has been updated with new aesthetics and some great new designed-for-digital features. It has two compartments that easily carry camera gear plus personal items. Lower compartment has removable insert made of high-density, closed-cell foam with movable padded dividers.

**Capacity:** Digital or 35 mm SLR with attached zoom lens; 2–3 lenses; flash or compact binoculars and accessories

\$139.85

### ROVER AW II

Our popular, two-compartment backpack has adjustable harness, CollarCut™ shoulder straps, sternum strap, waist belt, and load-adjustment straps. Stow camera gear in the bottom compartment; outerwear and lunch in the top. Bungee cord web provides stability and additional storage; attachment loops take optional SlipLock™ accessories. Includes All Weather Cover™, pull-out tripod holder and side mesh pockets.

**Capacity:** large pro SLR with lens attached, 2–4 additional lenses up to 80–200 mm f/2.8 and accessories

\$262.35

### ROVER PLUS AW

Similar to the Rover light AW, the Rover Plus AW is bigger, and is very comfortable to carry, as it has ergonomic technical harness and fully adjustable torso, padded CollarCut™ shoulder straps and DryFlo™ mesh-covered back pad and waist belt. Built-in hide-away tripod holder includes an adjustable bungee cord system for optimum stability and balance. Lowepro's patented All Weather Cover™ protects from extreme weather, sand and dust.

**Capacity:** large pro SLR with lens attached, 2–4 additional lenses up to 80–200 mm f/2.8 and accessories.
